**The divine lamp gets lit to light up the whole world at one time, on rare occasions, when God so ordains it. It has already come down and is aglow all around. Only devoted hearts are required to gain it and be profited. Nature with her hands outstretched, is eager today to take you in her lap. Divine grace is flowing with full force. Such a time as it is today may not be repeated again during the course of thousands of years. Even a little sacrifice today may count much in bringing forth the greatest result. May all be up with at least as much of sacrifice as might enable them to get up to the shore of infinite ocean where they might be able to breathe in the cool refreshing air of the divine. It is your good fortune that along side, his primary function, the divine personality in existence today in this unhappy world, and working for the change from the end of the year 1944, is also devoting himself to your spiritual training.**
